The New Orbiloc Dog Dual™ in Purple

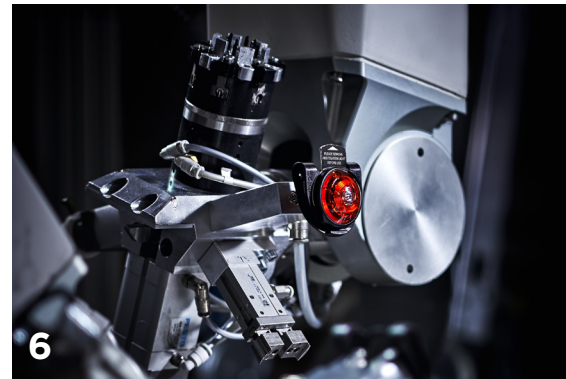

Orbiloc Dog Dual ensures that you are visible to others from up to five kilometres when out and about in the twilight or dark.

Orbiloc Dog Dual are durable, bright and water-proof.

Orbiloc Safety Lights™ is made exclusively in Denmark, which means they meet the highest standards in quality, design and workmanship.

The production of Orbiloc Safety Lights™ is carried out with the help of the newest robotic technology, which helps to ensure the precision that is crucial to the light's unique characteristics

Just call them nerds - the founders of Orbiloc® – Jan Jægergaard and Anette Kristensen. They have pursued their dream of creating a safety light based on the user's need for freedom, simple design and user-friendliness.

With the launching of two new colours – Pink and Purple – you can now get the Orbiloc Dog Dual™ in seven different colours.
